Foreword

We have a packed newsletter full of exciting events which have taken place this half term!

I am so proud of all the children for their wonderful performances. They have really excelled themselves this year. As I reflect on the first term, I feel a great sense of pride on all that has been achieved at Fulfen. We have had so many visitors who have complimented the school on how well the children are engaged in their lessons and on their wonderful behaviour and impeccable manners. They also comment on the warm and welcoming atmosphere that greets them when they visit the school.

I would like to thank you all for your continued support.

Happy Christmas and Happy New Year!

Looking forward to seeing you all in the new year.

Miss Davies

Love of Learning...

- dream big, have a thirst for learning and achieve your ambitions...

Encouraging...

- to be supportive of yourself and others and value everyone's ideas...

Adaptable...

- being versatile, creative and being prepared to take risks...

Determination...

- being resilient when the going gets tough...

Love of Learning... Encouraging... Adaptable... Determination...

Remembrance Week 7th November – 11th November

Fulfen School always support The Royal British Legion and this year we excelled ourselves, we sold out of poppies and merchandise. We held a one-minute silence and all the children behaved respectfully. We are waiting to hear how much we raised. We will let you know as soon as they inform us.

Children in Need Friday November 18th

Wear your Pyjamas and Onesies to School Day. Fulfen went Pudsey Mad all day, the children had a fantastic time. We raised a staggering £722.44, this included £230.94 that was raised by our year 6 pupils who were selling homemade bookmarks to the rest of the school.

Burntwood Spark Charity Christmas Appeal

We would like to thank all of our parents and carers for their generosity. We received lots of new toys for the Spark Charity Appeal. There will be lots of happy children in Burntwood this Christmas so thank you as always for your support.

Burntwood Rotary

On Friday 16th December it is Christmas Party Day at Fulfen. The Burntwood Rotary Club will be bringing Father Christmas to say hello to the children as they are on the way into school.

Please stop and take a selfie and if you can spare any money, please put it into their collection bucket.

Christmas Ready

We are all ready for Christmas, we have enjoyed a wonderful Christmas dinner, worn our Christmas Jumpers, practiced our school Christmas performances and decorated our Christmas trees.

National Elf Service

The children will be watching a short video that has been specially recorded for our school by The National Elf Service who will be delivering a lovely Christmas story, jokes and magic tricks. All the children will receive a Christmas wrapped reading book to put under the tree.

Year 3 Volcano and Earthquake Workshop

Year 3 took part in a volcano and earthquake workshop. They all had a great day. A volcano and earthquake expert came in and reconstructed a round the world trip with the children looking at different disasters. The children re-enacted out different disasters and all behaved brilliantly. Afterwards, they created structures in class and tried to make them earthquake proof. The children tested their structures on a plate of wobbly jelly! Luckily, most of them could withstand our “earthquake tester!”

Dates for your diary January 2023

Tuesday January 3rd
Wednesday January 4th

Inset Day
Welcome back to school

Tuesday January 10th
Thursday January 12th

Year 2 SATs Meeting @ 5.30pm
