Foreword

Dear Parents/Carers,

Happy New Year to you all! We have had an excellent start to the new year and we look forward to all the exciting learning and events that are taking place in the coming months.

As you are all aware, reading is fundamental to the success of a pupil in all areas of their school life. Please ensure that you read with your child for at least 15 minutes each day as it will have a huge impact on their learning. In addition, if you are able to spare us a short amount of time each week (or even if you are only able to help out periodically), please can you give serious consideration to becoming a reading volunteer at the school. Should you decide that it is for you, then first of all, thank you. You will need to email the Office (office@fulfen.staffs.sch.uk) and register your interest and we can go from there!

We would all like to wish Mr Etchells all the best in his promotion at his new school. We will miss him greatly and thank him for all his hard work at Fulfen!

Online Safety

The school has been informed by our safeguarding team that that there is "A game" being circulated via Facebook to children which contains several different actions for them to complete, including the encouragement of self-harm and hurting others.

Whilst many of our children will, I am sure, be confident in ignoring these messages, I am also conscious that around the country there have been several incidents where dares via social media have led to a child's death.

It is for this reason that I am circulating this information to parents to warn them to be vigilant about this activity on Facebook. Of course, Facebook shouldn't be used by primary school aged children. More information about age limits for apps and the reasons behind them will follow in our online safety newsletter later this half term.

Thank you for your help and support as always.

Enrichment clubs this half term

Many children have already started their clubs this half term. We've had an excellent response to our clubs with many of them having waiting lists! Here is a full list of what we have on offer during the first half of the Spring Term:

Reading Club – Year 1&2

Coding Clubs – Year 3,4,5&6

Digital Music – Year 3&4

Dance Team – selected children

Book Club – Year 4&5

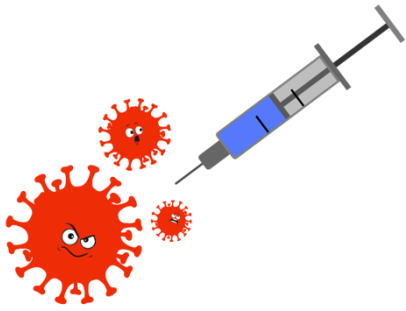

Art & Craft – Year 1,2&4

Throughout the year, members of staff will be running various clubs to give our pupils a wide range of extra-curricular opportunities. Each half term, an email will be sent out to the year groups for the relevant clubs.

Here you can see children in our coding club – they're really getting that computational thinking going to take on the challenges they've been set!

Walk-in Children's Covid Clinic

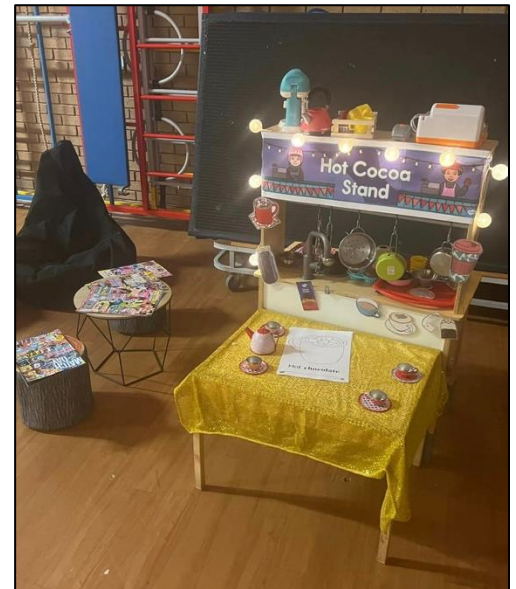

A walk-in children's covid clinic will be held at Cannock Fire Station WS11 6LD on Sunday 15th January 2023 between 10:00 and 14:45. This includes 1st dose, 2nd dose and autumn boosters for children between the ages of 5 and 17 years if they are eligible. For booking queries, please contact 12-15covidimms@mpft.nhs.uk.

Fulfen Before and After School Club

Fulfen Club provides childcare with a huge variety of activities for children including arts and crafts, roleplay, games, cooking, and a range of sports with our dedicated sports coach.

With a different theme each week, the children love the variety provided by our Club team of staff and the opportunities provided really complement and enrich the learning they do in school.

If you would like more information about what Club offers, drop a member of our our team an email at fulfenclub@fulfen.staffs.sch.uk
