Foreword

Dear Parents/Carers,

Spring is in the air!

As always, we are planning some amazing experiences for the children over the forthcoming months. We are currently organising trips for Harry Potter World, an Art Exhibition in Cannon Hill Park, Cannock Chase Museum, The Black Country Museum and a Lego workshop at Burton and Derbyshire College.

In addition to this, the school choir have recently taken part in Young Voices at Resort World in Birmingham. The Young Voices experience is not simply a children's choir concert, these are the largest children's choir concert's in the world. Choirs perform alongside 5,000-8,000 other children as a single choir to capacity audiences of family and friends. The children were a credit to the school and they thoroughly enjoyed performing.

As a school, we place great importance in giving our pupils as many exciting out of school experiences as we can.

Miss Davies

Love of Learning... Encouraging... Adaptable... Determination...

Stars of the week!

Lacey Cope, Archie Collier, Ivar Handley, Theo Thorpe, Annabella, Izaak Johnson-Cashmore, Paige Dixon, Euan Blower Oliver Ward, Freddie Webster Siena Long & Maya Cockayne Harriet Cooper and Olivia Freeman, Phoebe Bourne, Mason Bird Amelia Adams , Oliver McGeown, Charlie Adams-Clarke, Lily Vale , Billy Berry, Abigail Todino, Maisy Moore,

Ava Stone, Archie Knott, Niall Jones, Zach Edwards, Belle Taylor , Jesse Appleton, Jacob Porter Oscar James, Freya Phillips, Cory Fleming, Jessica Watson , Lenny Geens, Katherine Fountain, Katherine Fountain, Lenny Geens, Tilly Lightfoot, William Kershaw, Roman Polyviou, Max Hall, Thomas Heming, Jake Hathaway-Osborne, Emilia Weldon,

Love of Learning...
- dream big, have a thirst for learning and achieve your ambitions...

Encouraging...
- to be supportive of yourself and others and value everyone's ideas...

Adaptable...
- being versatile, creative and being prepared to take risks...

Determination...
- being resilient when the going gets tough...

World Book Day

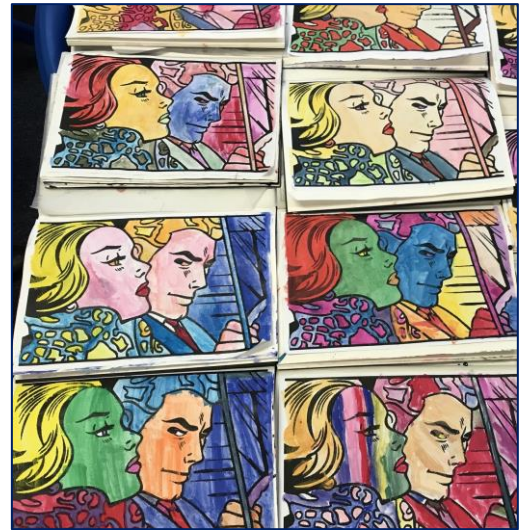

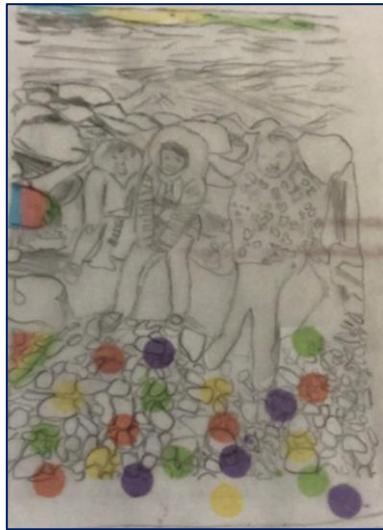

On Thursday 2nd March, we will be celebrating World Book Day. We will be inviting pupils and staff to dress up as their favourite character from a book. The day will be filled with a plethora of activities and the children are guaranteed to have a fabulous time. There will also be a competition (with a prize) for children to create a book character by decorating a jacket potato. More details about this will be sent out on Seesaw closer to the time. All children will also receive a £1 book token on this day.

Focus on Year 3

In art over the last few weeks, Y3 have been inspired by various artists and are in the process of recreating Roy Lichtenstein's famous piece of art 'In the Car'.

In PE, children have been learning traditional folk-dance moves. They've worked together as a team to create their own dance.

Maths at Fulfen!

At Fulfen, we are enabling children to understand why Maths is such an important subject and an integral part of everyday routines. Miss Morgan spoke with pupils from across the school and we were thrilled to hear that they were able to explain just how essential our primary school maths skills are.

Have a look to see what our pupils think about maths and why it's important:

It's really in every job you could ever think of. If you're a pilot you would need to know how much fuel to put in a plane. Really you need Maths in every job you could ever do – it's a life skill that you need!

Maisie Y4

I want to be a scientist and you need to know maths for that.

Teddy Y2

If you become a business owner and people want to buy things from your business, you would need to know about how much profit you are making and how much you are losing.

Isaac Y6

It is brilliant to hear our pupils confidently articulating their passion for and understanding of Maths.

Dates for your diary

Tuesday 14th February - Pre-School Valentine's stay and play sessions

Wednesday 15th February – Parents Evening

Thursday 16th February – Parents Evening

Friday 17th February – Non Uniform Day
