Issue Number 4

Monday 17<sup>th</sup> January 2022

## Foreword

I am pleased to see on my walks around school that the children are now settled into routines again. The atmosphere in the classrooms is one of purpose and enjoyment and the children continue to impress me with their engagement and enthusiasm.

I would like to update you on the implementation of our new school values. I want to increase the profile and purpose of our school values. I think there is potential for our values to have greater impact and play a wider role in the development of our children during their time at Fulfen Primary School. Here is our new Values tree where children are given 'leaves' to stick on the tree when they have been acknowledged displaying one of the school values.

Our school values are:

### L

ove of Learning...  
- dream big, have a  
thirst for learning and  
achieve your ambitions...

### E

ncouraging...  
- to be supportive of  
yourself and others and  
value everyone's ideas...

### A

adaptible...  
- being versatile,  
creative and being  
prepared to take risks...

### D

etermination...  
- being resilient when  
the going gets tough...

Love of Learning... Encouraging... Adaptable... Determination...

- being versatile,  
creative and being  
prepared to take risks...

**D**etermination...  
- being resilient when  
the going gets tough...

## Sharing Success!

We are so proud of Vaughn Challoner in Year 6!

He has played a part in the film – 'Last train to Christmas'.  
Please find the link below to the film trailer:

<https://youtu.be/vnlqei8unWA>

Sarayah Dingle in 2R has designed a box and initiated a project where foil crisp packets are turned into blankets for the homeless.

With the help of the children in her class, they collected 170 crisp packets in just one month.  
Well done Sarayah!

## Covid Update

### Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17th January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#). If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Further [information on self-isolation for those with COVID-19](#) is available.

### Home learning while self-Isolating

If your child is self-isolating, and is well enough to complete school work, they can find their work on the school website in the [Home Learning](#) tab.

Teachers have carefully selected work for maths and English as well as the wider curriculum, which is in-line with what the rest of the children are doing in class.

There are many ways in which your child can submit their home learning, which are outlined on the "[Help on different ways to complete home learning](#)" page.

## Dates for your diary

**Parents Evening – Wednesday 16<sup>th</sup> February & Thursday 17<sup>th</sup> February (Video Call)**

**Non Uniform Day – Friday 18<sup>th</sup> February**

**Half Term – Monday 21<sup>st</sup> February – Friday 25<sup>th</sup> February**

**World Book Day – Thursday 3<sup>rd</sup> March**

**Red Nose day 18<sup>th</sup> March**

**School Class Photo – Thursday 5<sup>th</sup> May**
