Foreword

What a start to 2022 January has been! We finished the month with a host of activities for 'National Story Telling Week' and so many children brought in their favourite stories for 'book talk' conversations.

iPad Success

We are also delighted that Fulfen Primary School has been invited to feature in a case-study by Apple Authorised Educational Specialist, KRCS.

Our journey with the use of iPad has been an amazing experience, which is continually developing. Using technology to assist with pupil's learning really removes the boundaries of the classroom and allows us to create meaningful experiences that are engaging and interactive enabling our children to become creators with the skills they need to be 21st century learners.

You can read the full case-study here:

<https://www.kracs.co.uk/fulfen-primary-school>

Love of Learning... Encouraging... Adaptable... Determination...

Love of Learning...
- dream big, have a thirst for learning and achieve your ambitions...

Encouraging...
- to be supportive of yourself and others and value everyone's ideas...

Adaptable...
- being versatile, creative and being prepared to take risks...

Determination...
- being resilient when the going gets tough...

Covid Update

Just a reminder that for anyone who tests positive for Covid-19, the isolation period can be reduced to 5 full days, providing your child receives 2 consecutive negative tests on days 5 and 6 and doesn't have a temperature. After 10 days, there is no need to test and your child can return to school on day 11.

To ensure that pupils who are self-isolating can continue to learn at home, home learning for each year group can be found on the school website: <http://www.fulfen.staffs.sch.uk/page/home-learning/82472>
Work can be sent in electronically or brought in upon return to school. We encourage children to do what they can while they're at home so that learning can continue as much as possible.

New Website

We're very excited to unveil our newly designed website!

You can view the website at www.fulfen.staffs.sch.uk

At Fulfen, we're continually developing to improve; whether it's our teaching and learning, extra-curricular activities, school events or links with the community – we take pride in delivering the best we can.

Our latest development is our school website. Many of the pages have been improved (and we're continually working to update them). Further to this, the whole website now has a more modern feel to it and is easier to navigate than our old version with many useful links for parents. By simply scrolling down the home page, you now have quick links to our newsletters and sports news from Mr Morton as well as access to our Twitter feed, which each year group regularly posts to. Not following us on Twitter yet? Follow the link at the top of this newsletter – you don't want to miss out!

We'd also like to draw your attention to the Art Blog (which can be found under the Parents tab) which Mrs Ashcroft regularly adds pupils' work to. We believe all our pupils are artists and love celebrating their work on here – you can even comment on pieces of work too – check it out here:

The screenshot shows the Fulfen Primary School website. At the top, there is a navigation menu with links for Home, Classes, Parents, Key Information, Curriculum, Home Learning, Job Opportunities, and Contact. A yellow arrow points to the 'Main Menu' label. Below the menu is a banner image of two children with the word 'Adaptable' overlaid. The main content area features a 'WELCOME to Fulfen Primary' section with a 'Applications for 2022 now open!' notice. Below this is a 'READ MORE' button. A 'Quick Links' section contains four buttons: NEWS, SPORTS NEWS, PARENTPAY, and SAFEGUARDING, each with a 'Click here to...' link and an icon. A 'FOLLOW US On Twitter' section displays a tweet from Fulfen Primary dated Jan 31, 2022, with a 'FOLLOW US' button. A 'See what's coming up' section shows an 'OUR CALENDAR' with dates 8 FEB, 10 FEB, and 16 FEB. A yellow arrow points to the tweet with the label 'Our latest tweets'.

Dates for your diary

8th February – Safer Internet Day

8th February – Y1 trip to Think Tank

11th February – Wear Your Scarf to School Day

10th February – Y4 trip to Cannock Chase Museum
