Foreword

What a busy start to the summer term it has been! From watching tadpoles develop in Reception classes to SATs taking place in Year 2 and Year 6 – there's been plenty going on.

I was fortunate enough to join our KS2 children who attended Young Voices at the NEC in Birmingham. Our school were part of a choir of 6000 children from primary schools across the Midlands. It was a truly magical experience and one that the children will remember for a long time. They were fantastic and made us all very proud!

Preparations are also underway for our Queen's Platinum Jubilee Picnic next week with children creating coasters, crowns and polishing their performances ready for parents. The 'Chaos Brothers' surely won't disappoint us with their addition to the afternoon. It's due to be an exciting day for all!

Love of Learning... Encouraging... Adaptable... Determination...

Stars of the week!

Harriet Cooper, Evie-Mae Mullan ,

Love of Learning...

- dream big, have a
thirst for learning and
achieve your ambitions...

Encouraging...

- to be supportive of
yourself and others and
value everyone's ideas...

Adaptable...

- being versatile,
creative and being
prepared to take risks...

Determination...

- being resilient when
the going gets tough...

Jubilee Picnic Details

11:30 am – school gates open! Please bring your own chairs/picnic blankets and make your way to your child's class on the field (older siblings will be able to visit you if you sit with the youngest child's class).

12:00 pm – Dancing Through the Ages – marvel at our children's performances.

2:00 pm – Songs from the Musicals – performed by Erasmus Darwin Academy pupils.

Children should come to school wearing red, white and blue on this day.

Love of Learning... Encouraging... Adaptable... Determination...

Well done to Year 2 and Year 6

It's that time of year again when exams are upon us. Last week, the Year 6s took their end of KS2 SAT, being the first cohort to do so since 2019. Despite having missed large proportions of time in school during Year 4 and 5, they have all worked so hard to achieve the best that they can and the whole school is very proud of them. Many children have attended revision club three times a week in the run-up to the assessments and have put in extra effort at home too. Their commitment to achieving their best is a real credit to each and every one of them.

Staff throughout the school have supported the revision clubs and the Year 6 team have put on breakfast club for the mornings of the assessments. As a treat at the end of the week, they had a full day of fun, games and dancing on the school field, topped off with a 50 ft inflatable for their exclusive use.

Year 6 are now turning their attention to the writing assessments before creating many more precious memories of their final year at Fulfen.

The Year 2 children are continuing to take their tests throughout May and have all worked extremely hard towards these. As a school, we are so proud of all our pupils and the enthusiasm and effort that they put into their learning. They embrace our school values and are truly **leading** the way to their bright future.

Dates for your diary
