Foreword

We've certainly had a busy end of term!

Following all the assessments, children have been up to so many things! Firstly, the children have shown how fighting fit they are in our "Walk to School" week. It was great to see how many people took part. In addition to the classroom activities that took place, the children also gathered at the Nags Head pub to walk up to school. Many thanks to the staff at the Nags Head, who gave us permission for parking that week. We hope to develop this further during the next academic year.

Following this, classes have been incredibly busy preparing for our grand Jubilee Picnic: The Fulfen elves have decorated the school; we've had crowns, coasters and songs and dances through the decades – everyone has worked so hard with their preparations and what an extravaganza of an afternoon it has been! We also enjoyed performances from Erasmus Darwin Singers and The Commodores, not to mention the glue that held the day together – our fabulous Chaos brothers. We certainly have some talented pupils at Fulfen and I think I can speak on behalf of everybody who attended – it was a wonderful afternoon!

Well done Fulfen fundraising! The school council wanted to raise money for St. Giles Hospice and our amazing pupils didn't let us down. A huge thank you to everyone who donated and purchased cakes during our Jubilee celebrations. We will announce the final amount raised when we have sold the remaining cakes and totalled the money. A huge thank you to 'Bake my Day' for donating the amazing cake which we raffled. Evie, Lydia and Anna in Year 5 raised an amazing £53.78 with their jewellery and charms. Our pupils make us proud every day.

Love of Learning...

- dream big, have a thirst for learning and achieve your ambitions...

Encouraging...

- to be supportive of yourself and others and value everyone's ideas...

Adaptable...

- being versatile, creative and being prepared to take risks...

Determination...

- being resilient when the going gets tough...

Wildlife Update

Not only do we have newly hatched chick and tadpoles in our Reception classes, but a small muntjac deer has been spotted in our forest area! The children have been very respectful and kept to the other side of the forest so as not to disturb her.

Art Competition

Mrs Ashcroft set a competition for the budding artists of Fulfen! Children were asked to create a portrait of Queen Elizabeth II and they did not disappoint. We've had many entries and here are the winners in Key Stage 1 and Key Stage 2:

Wonderful Westwood

As you know, on 20th May, the school closed to allow staff to attend the funeral of Miss Westwood to celebrate her life. As a tribute to Miss Westwood, Jessica in year 6 suggested that everyone wear blue to school on this day. I'm sure you'll agree that the sea of blue makes a statement from the children for our Wonderful Miss Westwood.
