## Foreword

It was wonderful to be able to welcome parents and carers back into school this week for the parents' evenings. The children were so proud to not only show off their learning, but also to show parents round our lovely school and facilities. There was certainly a buzz around school and I was overwhelmed with the positive feedback we had.

There are many exciting trips and events planned over the forthcoming weeks, including; sports day, leavers' production and leavers' assembly.

Last week, we had a number of teams qualify for the cross-country county finals at Keele University. We were also delighted when Fulfen won the gold award for Boccia, curling and archery! We are so proud of how all the children performed.

## Other News

We've welcomed visitors in from Natwest who have been teaching upper Key Stage 2 about the basics of money.

We've also had "bikeability" in Reception and Year 5 where children have braved the elements to improve their biking skills and give their confidence a boost.

Izzy Bynt in Year 5 has won the Rotary Club Peace Pole Garden competition. Here is the winning entry:

## Residentials

This has to be my favourite time of the year! All the classes are so busy and have experienced such a variety of different and exciting events that have provided many different life skills. In recent weeks, Years 5 and 6 have been on residentials.

Year 5 spent a week at Laches Wood where they became more independent, showed great determination when faced with new challenges, worked as a team, made friends and above all had fun!

Year 6 have been camping at the Wilderness Academy and created many fond memories of their last few weeks at Fulfen. They've been weaselling, canoeing and climbing and completed a host of team building exercises as well as playing lots of fun games!
