Foreword

At the end of a positive year, I want to pass on thanks to all our families, children, school's staff team and governors, for their support this academic year. We are proud of our children's achievements across all year groups and this is the result of the effort of, and partnerships between the whole school community.

We also look forward to ensuring that our Year 6 children enjoy their last few days at Fulfen and create lasting memories. I am sure that you will agree that these amazing and resilient children are ready for the next stage of their school life and will join me in wishing them well.

On behalf of all the staff, I would like to wish all of our Fulfen families a wonderful summer and want to share this painting by Riley in Year 4, which encapsulates the summer vibe!

Stars of the week!

The whole of R1 and R2,
Thomas Watton, Hettie
Goldsmith, Teddie Williams,

Love of Learning...

- dream big, have a
thirst for learning and
achieve your ambitions...

Encouraging...

- to be supportive of
yourself and others and
value everyone's ideas...

Adaptable...

- being versatile,
creative and being
prepared to take risks...

Determination...

- being resilient when
the going gets tough...

Year 6 Farewell

Our year 6 cohort have excelled themselves with their SATs results and they are thoroughly enjoying their last few weeks at Fulfen.

After a trip to Drayton Manor Theme Park, our thrill seekers thrilled audiences in their performances of Shakespeare Rocks.

It truly will be a sad farewell as parents join us for their leavers' service on the final Tuesday of the year.

Love of Learning... Encouraging... Adaptable... Determination...

Sports Days

Each school phase have had their sports days and all the children competed in various events. Mr Gleeson did a fabulous job in commentating the KS2 races and so did Mrs Bailey for KS1. Everyone had a wonderful time and enjoyed their sweets and lollypops afterwards.

Last two days of school

With the hot weather forecast for the last two days of our school year, we have taken various measures to ensure all our children are safe. This includes shorter break times; regular drink breaks; classroom windows open and blinds closed; no physical activity (PE lessons) use of shaded areas outside and ensuring that children outside are wearing sun hats and sun cream. We want children to enjoy their last days at school before the summer and it is our aim to continue with as much as possible, but in a safe manner, to ensure that any disruption by the high temperatures is limited as much as possible.

Love of Learning... Encouraging... Adaptable... Determination...

Information For Next Year

As this academic year comes to a close, we realise that many parents will be making an early start on purchasing uniform for next year. From September, we will be tightening up on our uniform to ensure that everyone looks and feels smart. We believe that our high standards promote positive behaviour, support effective teaching and learning and contribute to the ethos of the school.

Please support us in ensuring that children come to school ready to work by looking at the information below:

School Uniform

School uniform consists of the following (and should all be labelled):

- white polo shirt or white shirt
- dark blue jumper/cardigan with school logo
- charcoal/grey/black trousers (smart shorts may be worn in warmer weather)
- charcoal/grey/black skirt (blue & white checked dress may be worn in warmer weather)
- grey/white socks
- sensible black school shoes (NOT boots, footwear with heels, open-toe footwear or trainers)

PE Kit

Children's PE kit, in particular footwear, must be suitable for physical activity so please do not send children with impractical 'fashion' trainer-style footwear.

Indoor:

- white t-shirt with Fulfen Logo
- black shorts

Outdoor:

- school hoodies
- navy tracksuit bottoms may be worn in cold weather.
- trainers

PE kits should be worn to school on their PE days.

Jewellery:

- Jewellery should not be worn or brought into school.
- If children have pierced ears, one pair of discreet studs may be worn.
- Earrings must be removed for PE lessons for health and safety reasons. If your child is unable to remove the earrings themselves, they should not wear earrings on their PE days.
- No other body piercings are permitted.

Hair/Makeup:

- Children should have an appropriate hairstyle for school (e.g. tramlines, patterns, sculpting are not permitted and children should not dye their hair inappropriately).
- Children may be asked to tie long hair back for health and safety purposes during some lessons.
- Make up and nail varnish should not be worn to school.

Footwear:

- Any kind of boots, wellingtons or snow boots may be worn in wet weather/snow but must be changed when inside the school buildings.
- Trainers should not be worn at any time other than for PE days and clubs.

Parents of Pupils who do not wear the correct uniform may be contacted and requested to bring in a change of clothes for their child. Pupils who wear makeup/nail varnish or jewellery will be required to remove these. Items of jewellery will be confiscated by the teacher to be collected by the parent.
